Reminders

The Career Showcase date has been moved to Tuesday, May 8th. Talk to your child about what they want to be when they grow up and do some research together. I sent home a paper last week that they can fill out. They also need to have a visual for their presentation on the 8th. It could be dressing up, bringing tools from the profession, making a poster or any other visual. They will have to talk about the career they chose.

At-Home Practice

Nightly
Read guided reading book & sign log nightly (just a reminder that the log is for a letter grade).

Practice at your convenience
Read library book, practice sight words (although I would prefer that these are done every other night)
Practice the addition facts that are in a plastic sleeve in the folder.

Our Learning

Work on the words from your child's folder. They should be located in the pouch where the guided reading book is and they will be on that brochure.
